Spanish Harlem Creative Movement Fest 2022 is organized by Dance 10 Project and Wonder Moments, presented by El Barrio's Artspace and Artspace Projects. It is a dance festival that celebrates the influence of Latinos in America as a place of migration and mixed cultures; while seeking to showcase dance artists who explore a range of narratives of Latino culture and current issues: immigration, forced displacement, identity, and transculturation.

The dance pieces selected have to have hybrid choreographic practices (combining dance movements with other forms/styles, including physical theater, mime, video, or incorporating performative methods on stage). The piece must be new to NYC audiences, meaning that the piece has not been showcased in NYC.

Deadline is May 10, 2022 (11:59 pm)
Application fee: \$20
